2012-2013 Language Objects

The objects in this list were selected for the kind of word they represent, e.g., 3- & 4-letter phonetic words, 2-syllable phonetic words, words with phonogram sounds; or for the beginning sound of the word they represent. Most object sizes range from about ½" to 2½". Our supply of objects sometimes varies. Shipping charges and sales tax (CA only) apply. Refer to your catalog order form or online Ordering FAQ's to figure shipping and sales tax.
