

Language Object Starter Set Labels

This FREE download includes labels for all 101 of the objects included in the current 2023/24 and the 2022/23 Language Object Starter Sets (L850). On this page we have also included some additional labels for alternate presentations of words (cub/pup, nut/acorn, bucket/pail, etc.) and labels for possible substitutions to this set. Finally, there are also blank labels at the end for you to create your own.
